

Parkland Hospital Restroom Renovation

Location:	<i>Dallas, Texas</i>
Construction Cost:	<i>Approximately \$800,0000</i>
Year Complete:	<i>2009</i>
Architect:	<i>The O2 Group</i>

Project Description:

Solare Engineering provided the mechanical, electrical, and plumbing engineering design services for the renovation of several restrooms in Parkland Hospital. Both executive and general patient restrooms on all floors were part of the design.
